Deafness Cannot Be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed con-
dition of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed
you have a rumbling sound or imperfect
hearing, and when it is entirely closed,
deafness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condition,
hearing will be destroyed forever; nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed con-
dition of the mucous surfaces.

We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that
cannot be cured by Hall's Catarrh Cure.
Send for circular free.

FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped
By Common Sense
Suggestions.

Women suffering from any form of
female ills are invited to communicate
promptly with the
woman's private
correspondence de-
partment of the Ly-
dia E. Pinkham Medi-
cine Co., Lynn,
Mass. Your letter
will be opened, read
and answered by a
woman and held in
strict confidence. A woman can freely
talk of her private illness to a woman;
thus has been established a confidential
correspondence which has extended over
many years and which has never been
broken. Never have they published a
testimonial or used a letter without the
written consent of the writer, and never
has the Company allowed these confi-
dential letters to get out of their pos-
session, as the hundreds of thousands
of them in their files will attest.

Out of the vast volume of experience
which they have to draw from, it is more
than possible that they possess the very
knowledge needed in your case. Noth-
ing is asked in return except your good
will, and their advice has helped thou-
sands. Surely any woman, rich or poor,
should be glad to take advantage of this
generous offer of assistance. Address
Lydia E. Pinkham Medicine Co., (con-
fidential) Lynn, Mass.

Every woman ought to have
Lydia E. Pinkham's 80-page
Text Book. It is not a book for
general distribution, as it is too
expensive. It is free and only
obtainable by mail. Write for
it today.
